### AN ACT PROVIDING FOR PARK EXPANSION AND URBAN WILDLIFE PRESERVATION IN BELMONT AND CAMBRIDGE.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority  
of the same, as follows:*

1 (a) In this Act, the term "Silver Maple Forest" shall refer to a property also known as the Belmont Uplands and  
2 comprised of Parcel 40-1 on the assessors' map of the town of Belmont and an adjoining triangular parcel in the city of  
3 Cambridge.

4 (b) Notwithstanding sections 40F to 40J of chapter 7 of the General Laws or any other general or special law to the  
5 contrary, the department of conservation and recreation may acquire, by deed, easement, restriction, covenant or condition,  
6 but not through eminent domain, the Silver Maple Forest and may apply for that purpose funds authorized by Chapter 312  
7 of the Acts of 2008 or any other lawfully available funds.(c) Within 90 days of the effective date of this act, the  
8 commissioner of conservation and recreation shall conduct an appraisal of the fair market value of the Silver Maple Forest.

9 (d) Within 120 days of the effective date of this act, the commissioner shall determine an amount that the commonwealth  
10 may allocate from any lawfully available funds for the purpose of acquiring the Silver Maple Forest. This amount shall be  
11 the state contribution.

12 (e) Upon determining the state contribution, the commissioner shall inform the board of selectman in the town of  
13 Belmont, the board of selectmen in the town of Arlington and the city council in the city of Cambridge, in this section  
14 called the local authorities, the results of the appraisal and the amount of the state contribution, if any.

15 (f) Within 120 days of the transmittal by the commissioner, the local authorities shall each certify, in language to be  
16 determined by the commissioner, the amount of funds under their control which are available for contribution towards the  
17 cost of the acquisition of the Silver Maple Forest by the commissioner. The funds may include funds appropriated by the  
18 appropriating bodies in the town of Arlington, the town of Belmont and the city of Cambridge and may also include  
19 private funds received by, or on behalf of, the local authorities and held in escrow for application towards the acquisition.

20 (g) If the amount of the funds so certified equals or exceeds the difference between the appraised fair market value of the  
21 property and the state contribution, and if the owner of the property enters into an agreement to convey the property for  
22 conservation purposes, the commissioner shall, upon receipt of the funds, forthwith consummate the acquisition; provided,  
23 however, that any deed conveying the parcel shall contain the restriction required under subsection (h). If the amount of  
24 funds received does not equal or exceed the difference, this section shall become null and void.

25 (h) Notwithstanding any general or special law to the contrary, the property described in subsection (a) shall be conveyed  
26 subject to a conservation restriction imposed under section 31 of chapter 184 of the General Laws, for the preservation and  
27 protection of wildlife and habitat and passive public recreation and consistent purposes. The conservation restriction, if

28 taken and not otherwise acquired, shall be subject to any easement or lesser interest in land held by any person or  
29 governmental agency, except for the owner, that lawfully exists and is recorded in the appropriate registry of deeds.
